ABOUT US

Pemode was founded in 2016 by the expert second generation furniture producer since 1995. The adventure of Aida swings started in these years, and since 2013, under the leadership of expertise and experience, it has become today's has achieved success. Our company, which aims to produce "perfect modern-day swings" under the "Swingroo" brand, has created an idealistic brand that has a presence in the international market as of 2018: "Aida Swings". The look and feel of solid wooden furniture in gardens is so sophisticated and timeless that it cannot be compared with other materials. Our swings, the ultimate summary of comfort resulting from beautiful solid wood, high-level craftsmanship and contemporary design, are the product of our passion. We can't wait to share them with you!

Our swings are the product of our passion!
